

McLeese Lake Volunteer Fire Department  
McLeese Lake BC  
April 24 2018

Steve Forseth  
CRD Area D Representative

Dear Steve,

We greatly appreciate the Grants provided to us each year by the Cariboo Regional District and endeavor to get the best value for our purchases.

In regards to the CRD Grant we received this year, we have made a savings of \$533.35 on the Basket Stretcher by shopping with a different company. As well, there were some price changes and the total difference between the received grant and what we have spent, amounts to approximately \$574.58.

We would like to put this savings towards the purchase of our MLVFD departmental T-shirts for our members. They have been ordered and a down payment has been made via funds from the Provincial Gaming Grant.

Thank you for your consideration. Please accept our continuing thanks for all the support we have received from you, Steve, and the Cariboo Regional District.

Yours Sincerely

Torey Lee (Director, MLVFD)
