Northern Development exists to stimulate economic growth through strategic and leveraged investments that build a strong and diversified economy in central and northern B.C. Our vision is that Northern B.C. is home to world-class industries, diversified regional economies and growing, energetic communities.

I am pleased to advise you that the Community Halls and Recreation Facilities application from the Cariboo Regional District for the 'Dragon Mountain Trail Network Development' project was approved for a grant up to \$30,000 from the Cariboo-Chilcotin/Lillooet Regional Development Account on March 20, 2018.

This approval is open for a period of twelve months from the date of approval, within which we expect all funding sources to be secured, a contract entered into with Northern Development and the project commenced. It is important to note that expenditures incurred prior to both parties signing a contract will not be reimbursed.

We wish you every success with your project. We are excited to see how your project will stimulate economic growth and strengthen our region.

Sincerely,

Joel McKay
