Re: NCLGA Resolutions

Dear Chair Wagner and Board,

Thank you for the resolutions you submitted for debate at the 2018 Annual General Meeting of the North Central Local Government Association. As you know, the NCLGA is a member-driven organization which focuses its efforts primarily on advocating for the resolutions that are ratified at our AGM.

It is important to note that NCLGA resolutions are considered valid and active by your NCLGA board and fellow members regardless of whether or not they are passed at the UBCM or FCM level. We have forwarded your resolutions on to the appropriate Ministries for consideration.

Throughout the year, the NCLGA Board and staff often have the opportunity to meet with key stakeholders to discuss our members' resolutions. If such a scenario arises where we have further opportunities to pursue the topic of your resolution over the next several months, we will notify you.

Thank you again for being an active and engaged part of the broader NCLGA team.

We appreciate your Board and Staff's time and input.

Sincerely,
