

September 7th, 2018

Cariboo Regional District 180 3 Ave N, Williams Lake, BC V2G 2A4

To whomever it may concern:

The Cariboo Woodlot Association (CWA) is a non-profit organization run by woodlot holders and individuals promoting excellence in the sustainable forest management of woodlots in the Cariboo-Chilcotin region. After the devastating 2017 wildfire season in our region, the CWA is pleased to be able to host the Federation of British Columbia Woodlot Associations (FBCWA) and Woodlot Product Development Council (WPDC) Annual General Meeting (AGM) and Conference in Williams Lake, October 12-14, 2018.

The AGM has a full agenda including a panel discussion on the wildfire impacts, and a wildfire risk presentation. The event also includes a Field Trip to T'exelc (Williams Lake Indian Band) and the Williams Lake Community Forest. An evening Banquet with Door Prizes and Silent Auction as well as a local area tour for spouses is also part of the weekend. The proceeds from the auction will go towards a scholarships for students interested in Natural Resources Management program. Woodlot Licensees, small scale forest operators, First Nations members, government staff, forest educators, logging contractors and consultants from around BC will be attending this event.

We invite you to promote your organization by becoming a sponsor for this event. For your convenience, we have attached a Contribution Benefit and Pledge form. We appreciate your consideration of a contribution at any level. Sponsorship at the higher levels would enable broader representation from the CRD in the conference activities and show support for the local woodlot program.

Please contact Brian LaPointe or Ian Lanki should you have any questions. Our contact information is listed below.

Sincerely,

Brian LaPointe Cariboo Woodlot Association Ph: 250-398-6139

From Adversity comes Inspiration

We are Ready -

With a little help from our friends

The Cariboo Woodlot Association is hosting the Federation of British Columbia Woodlot Associations (FBCWA) and Woodlot Product Development Council (WPDC) Annual General Meeting and Conference on October 12-14, 2018 in Williams Lake.

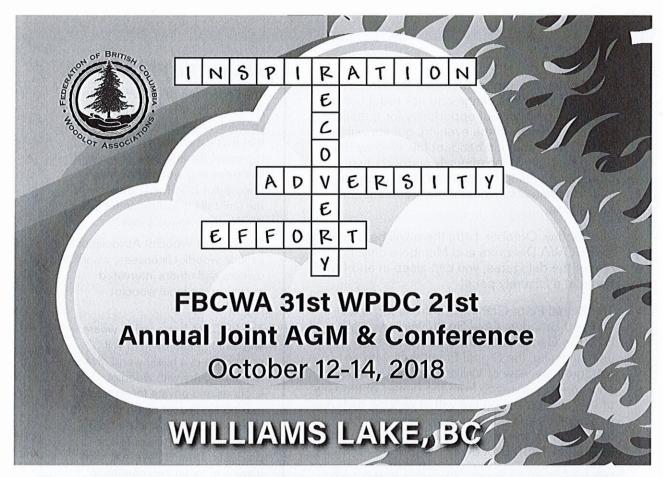

As you know, we had quite the experience with wildfires in 2017. We knew we had to do something to prepare – for rehabilitation of damaged areas and to prepare for protecting ourselves in future years. We are ready. Come see what we have done. Come see what might work for you...with a little inspiration and perspiration – we are ready.

There are 867 active Woodlots in British Columbia, of which over 50 are located in the Cariboo-Chilcotin Forest District, over 60 in Quesnel Forest District, and over 40 in the 100 Mile House Forest District. The FBCWA represents 23 woodlot associations throughout British Columbia whose members harvest approximately 1.5 million cubic meters of timber annually, generating significant economic activity in our communities.

Please join us at the joint 2018 FBCWA/WPDC Annual General Meeting (AGM) and Conference being held at the Signal Point Gaming Centre in Williams Lake. The theme of the Conference is From Adversity Comes Inspiration, with an emphasis on the 2017 wildfires, what happened here and why, plus what can be done to prevent a re-occurrence around other communities.

This year we are starting the conference off with field trips! After a welcome and a brief presentation describing what happened in 2017 and the recovery efforts to date, we will board the bus on Friday October 12 to see first hand the impacts of the fire, salvage efforts and what is being done towards fuel mitigation and hazard reduction. After the field trip, you will have some free time to chat with other licensees

and then meet up for the evening registration and social.

On Saturday October
13, you are invited to join
everyone at the Signal Point
Gaming Centre for breakfast.
Immediately following
breakfast, the Woodlot
Product Development
Council (WPDC) will
conduct their 21st Annual
General Meeting from 8:00
to 9:00am. All woodlot
licensees are invited to
attend the WPDC AGM

portion of the conference
"free of charge" and preregistration is not required.
We require a minimum of 43
licensees to meet quorum.
All woodlot licensees are
members of the WPDC
and may vote at the AGM.
If you choose to stay for the
remainder of the conference
and/or any meals, registration
and payment is required.

The remainder of the day will be filled with presenters speaking on topics related

CONT'D >

FROM FRONT ----

to wildfires: the impact on forest resource values, insects & diseases, range and risk reduction. There will be plenty of opportunity for questions and discussions. In the evening, guests will be treated to a fabulous banquet followed by the Silent Auction which annually supports two students pursuing further education especially in areas related to woodlot management and operations.

On Sunday, October 14th, there will be a meeting for FBCWA Directors and Members only. For the rest of the delegates, you can sleep in and travel home at a leisurely pace!

The Signal Point Gaming Centre is located at 1640 Broadway Ave South, Williams Lake, BC. The Centre is situated at the base of its namesake, the Signal Point bluff, with an extraordinary view of Williams Lake. Located a short driving distance from the center of the City of Williams Lake, you are within walking distance to amenities and some hotels, including the host hotel for the conference, the Best Western located at 1850 Broadway Ave South.

We hope you are inspired to attend! We look forward to seeing some of you perhaps for the first time, and reacquainting with our woodlot friends who regularly attend the annual event.

PAYMENT:

Two options to register and pay:

- Online at www.woodlot.bc.ca using credit card though PayPal (You do not need to have a PayPal account)
- Complete paper copy of Registration form and mail along with cheque payable to Woodlot Product Development Council, PO Box 23011 Plaza 33 Postal outlet, Kelowna BC V1X 7K7
- Note: Credit Card payment cannot be processed at the AGM.

About The FBCWA

The Federation of BC Woodlot Associations (FBCWA) is a volunteer, not for profit organization that was established in 1988 to represent the interests of woodlot licensees and woodlot owners throughout BC. The Federation is the umbrella organization for BC's 23 Woodlot Associations.

Members of Woodlot Associations include woodlot licensees, woodlot owners and others interested in supporting local woodlot objectives.

The FBCWA has a vision where woodlot holders/owners will participate in a healthy and diverse forest industry with woodlot licences and private forest lands making significant contributions to local communities and providing a sustainable supply of forest products. The FBCWA will have a voice in forest and economic policy. BC's woodlots will be models of forest management excellence and world renowned for their social, economic, recreational, cultural and educational contributions to rural communities.

About The WPDC

The WPDC is a government appointed organization representing 862 woodlot licensees in BC. The resources of the Woodlot Product Development Council will be used to promote sustainable small scale resource management in British Columbia. Funds collected from woodlot licensees under the Farming and Fishing Industries Development Act, are managed to promote a positive image of the woodlot industry and its products; educate the general public and buyers about the benefits of BC woodlots and small scale woodlot management; and initiate and/or support research and extension programs for the development and enhancement of the woodlot industry in the province.
