Dear Lore:

Re: Grant Assistance Program 2018

On behalf of the Likely & District Volunteer Fire & Rescue Society I would like to thank the Cariboo Regional District for the \$1,000 grant through the Grant for Assistance program.

Our Society has used the funds to help offset the costs of oxygen cylinders and oxygen cylinder refills for our ambulance. The cylinders are vital to our ability to provide medical assistance when needed to the residents of Likely and the surrounding area.

We have acknowledged the Cariboo Regional District and Joan Sorely for her assistance in the August Likely Matters and also added a post on our Facebook page.

Sincerely:

Carole Whitmer for Chris Laverentz
