Re: Interest to renew Management Contract with CRD:

Dear Darron;

This letter will serve as Canlan Ice Sports' interest in working with the CRD to see if there is interest on your part to renegotiate a new management agreement per Paragraph 9.2 Future Agreement. We understand and acknowledge that nothing herein confers any right of renewal or extension of this Agreement. If you can let me know next steps, I would be happy to meet with you to discuss further.

If you have any questions Darron, please do not hesitate to contact me. I will follow up with you once you have received this letter.

Yours truly,

CANLAN ICE SPORTS CORP.
