RE: Annual Grant Request of \$21,333 – Building Integrity

Dear Mr. Reid:

Northern Health would like to formally request an annual grant for Building Integrity projects.

Northern Health designates a capital allocation each year for Building Integrity projects, similar to the Minor Capital Allocation (Equipment and Projects <\$100,000). Building Integrity projects are intended to address facility infrastructure issues and aim to improve the Facility Condition Index (FCI) of the buildings.

Our annual MOH Non-Restricted Capital Grant allocation for Building Integrity for the Cariboo-Chilcotin Regional Hospital District (CCRHD) area is \$32,000. We would like to request an annual grant of \$21,333 from the CCRHD which would bring the total Building Integrity allocation to \$53,333 annually.

Thank you for your consideration of this request. If you have any questions please do not hesitate to contact our office.

Sincerely,

Deb Taylor, HB.Comm, CPA, CGA
Regional Manager, Capital Accounting
