Cariboo Regional District Board of Directors
Attention: Board Chair, Margo Wagner

Re: CRD Board Resolution of Support – SD#28 Request extension of City of Quesnel water main on Maple Drive to supply water to a future QJS building project

Dear Chair Wagner and Board Directors;

At a regular meeting of Quesnel City Council held Tuesday, September 25, 2018, Quesnel City Council resolved:

J.1) Administration Report #95/18 - Request by Quesnel School District to Provide Water for Middle School Replacement - City Manager Johnson to Report

18-23-404 **THAT** Council approves, in principle, to provide potable water with sufficient volume to satisfy the needs to the School District #28 (Quesnel) if a new middle school is built, or a major renovation project occurs, on the Maple Drive Site.

CARRIED (6-1)

18-23-405 **THAT** Council approves providing potable water, outside the City of Quesnel boundaries, with sufficient volume to satisfy the needs to the School District #28 (Quesnel) if a new middle school is built, or a major renovation project occurs, on the Maple Drive Site as an extraordinary exemption to the City's current Official Community Plan Policy #15.3.2.7;

AND THAT Council directs staff to draft the required Official Community Plan amendment to authorize this exemption.

CARRIED (6-1)

Please review and consider providing a resolution of support to the City of Quesnel for the School District #28 request for extension of City of Quesnel water main on Maple Drive to supply water to a future QJS building project

Yours Sincerely,

Mayor Bob Simpson

City of Quesnel
