2019 Business Plan Gun-A-Noot Streetlighting (1439)

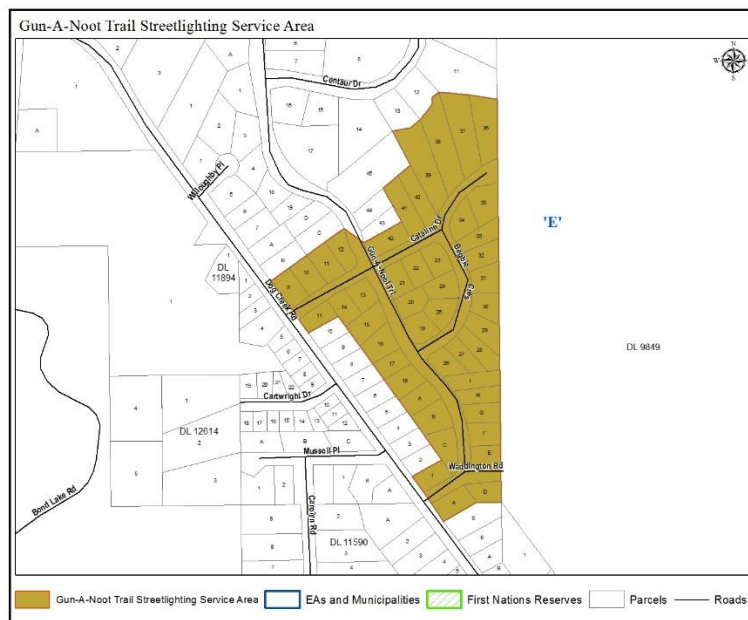

*Peter Hughes, P.Eng.,
Manager of Environmental Services*

Working in partnership with communities, large and small, to make the Cariboo Chilcotin a socially, economically and environmentally desirable region to live, work and play.

Department/Function Services

The Cariboo Regional District facilitates streetlighting for the residents in the Gun-A-Noot area as established by Bylaw No. 2681 (1992). Tax requisition is by way of parcel tax to 46 parcels and has a taxation limitation of the greater of \$2,536 or \$1.14/\$1,000 of assessed value of land and improvements. The local service area is illuminated by 16 streetlights.

As the Electoral Area E Director is the only stakeholder, and the *Local Government Act* requires more than one vote, the entire Board is responsible for the governance of this service.

Business Plan Goals, Rationale & Strategies

No goals identified for 2019.

Overall Financial Impact

The 2019 requisition will remain the same as the 2018 requisition.

Significant Issues & Trends

In 2018, BC Hydro rates increased by 3%. It is anticipated that rates may increase by 5.2% over the next two years.

BC Hydro is assessing the use of LED lights for streetlighting and they are currently undertaking a pilot project. Expect LED lights in the future.

The Cariboo Regional District is a signatory on the Province of BC/UBCM Climate Action Charter, and has committed to continuing work towards carbon neutrality in respect of corporate operations.

Measuring Previous Years Performance

No goals identified in 2018.
