## 2019 Business Plan Highway 26 Streetlighting (1443)

*Peter Hughes, P.Eng.,  
Manager of Environmental Services*

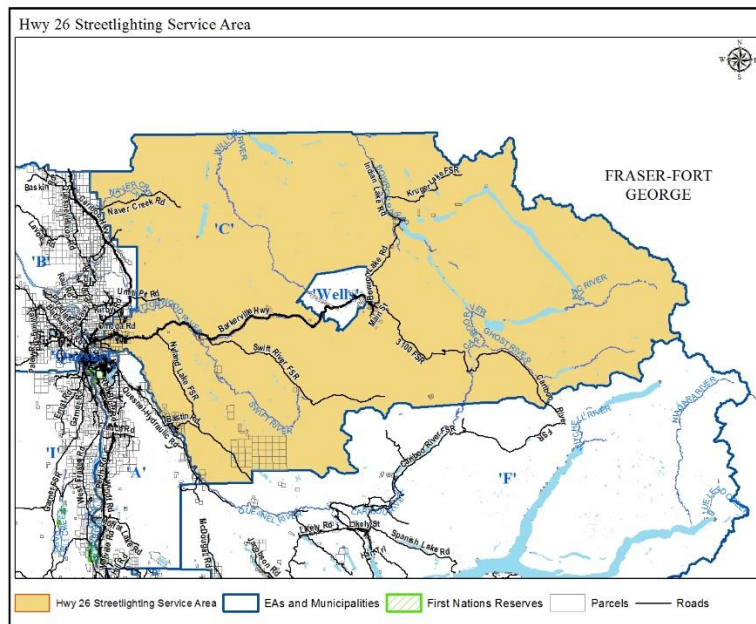

***Working in partnership with communities, large and small, to make the Cariboo Chilcotin a socially, economically and environmentally desirable region to live, work and play.***

---

### Department/Function Services

The Cariboo Regional District facilitates streetlighting for the residents in Electoral Area C as established by Bylaw No. 3911 in 2004. The taxation limit for this service is the greater of \$10,000 or \$0.190406/\$1,000 of assessed value of land and improvements. The local service area is illuminated by 30 streetlights.

As the Electoral Area C Director is the only stakeholder, and the *Local Government Act* requires more than one vote, the entire Board is responsible for the governance of this service.

## **Business Plan Goals, Rationale & Strategies**

No goals identified in 2019.

## **Overall Financial Impact**

The 2019 requisition is increased by approved inflationary pressures only.

## **Significant Issues & Trends**

In 2018, BC Hydro rates increased by 3%. It is anticipated that rates may increase by 5.2% per year over the next two years.

BC Hydro is assessing the use of LED lights for streetlighting and they are currently undertaking a pilot project. Expect LED lights in the future.

The Cariboo Regional District is a signatory on the Province of BC/UBCM Climate Action Charter, and has committed to continuing work towards carbon neutrality in respect of corporate operations.

## **Measuring Previous Years Performance**

No goals identified in 2018.
