## Advisory

### Certain Option+ and Personelle sunscreens voluntarily recalled because of bacterial contamination

**What you should do**

- Do not use the recalled products identified above. Consult with your health care professional if you have used these products and have health concerns.
- Contact Empack Spraytech Inc. if you have questions about this recall by emailing [quality@empack.ca](mailto:quality@empack.ca) or calling toll-free at **1-866-923-2665**.
- Report any health product-related [adverse reactions](#) or [complaints](#) to Health Canada.
- 

We hope this information and related link will be useful to you.

If you do not wish to receive these health-related messages, please let us know in your reply to this e-mail.

Thank you.
