Dear Ms Schick

Re: 2018 Grant for Assistance – Purchase of "X-Tinguish" Tool

I am writing to thank the Cariboo Regional District Board for the \$1000 the HLVFA received through the 2018 Grant for Assistance program.

To recognize donors in 2017-18, including the CRD, we prepared a board for display at our annual summer picnic attended by over 150 community members. The board is currently on view in our fire hall and the donors were brought to the attention of the members who attended our recent annual general meeting.

The grant from the CRD was also mentioned in our newsletter which is sent to over 120 households. The grant allowed the HLVFA to purchase a portable aerosol unit called an X-Tinguish tool which is a welcome addition to our fire suppression equipment.

Thank you on behalf of the HLVFA.
