

Grant for Assistance Application – Central Cariboo

Cariboo Regional District
File No. 1860-20 Central

SEP 25 2018

Referred To DCO

Organization Information Sheet

Name of Organization:		<u>Gavin Lake Forest Education Society</u>	
Mailing Address:		<u>72 South 7th Ave, Williams Lake, V2G-4N5</u>	
Telephone (office):	<u>604-629-9859</u>	email:	<u>mtudor@xplornet.com</u>
Purpose of Organization (From Constitution or Incorporation Documents): <u>Outdoor Education.</u>			
How long has the organization operated in the community? <u>25 year.</u>			
BC Society Registration Number: <u>S-34634</u>			
Federal Charitable Registration Number: (if applicable) <u>899685341 RR001</u>			
Chairperson's name: <u>Todd Fradsham</u>			
Telephone:	[REDACTED]	email:	[REDACTED]
Treasurer or Financial Officer's name: <u>Kylie Green.</u>			
Telephone:	[REDACTED]	email:	[REDACTED]

Date of last Annual General Meeting (Attach minutes and current list of Directors):

April 13/2018

Attach the last financial statement prepared and signed by the appropriate person (i.e., CA, CGA, CMA, comptroller, bookkeeper, financial officer, treasurer, etc.).

Previous Year Grant from CRD (if applicable) \$ Not applicable.

NOTE: A Final Report for previous year's grant MUST be included with this submission, if not previously submitted.

Current Grant Requested from CRD \$ \$6880

Grant for Assistance Application – Central Cariboo

Please answer the following questions, using additional paper if necessary.

1. What plans has your organization made to fund its activities over the next 3-5 years?

We have over 25 regular funding sources. We are applying for Gaming Funds to help fund our free school program. We have the camp which is a steady revenue generator and we have the log office in town which is another revenue generator

2. If your organization charges user fees/memberships/admission, attach your current fee structure:

3. What are your organization's specific goals and objectives for this year? How do they differ from previous years?

We hope to complete construction of a staff cabin and bring on an assistant manager so we can expand teaching services to other youth groups (besides schools)

4. Who does your organization serve?

youth groups, churches, charities, school children.

5. Does your organization receive a rental subsidy from the City and/or CRD? If so, how much?

No

6. Does your organization receive any benefit from permissive tax exemption, and if so, how much? (information available from City Tax Department)

Yes - We have a lease on Stampede park - City Tax Dept only knows exemption for entire Stampede grounds??

7. Does your organization use City or CRD owned facilities? If so, which ones?

Yes No

8. How will you indicate that the CRD is contributing to your organization?

signage in main dining hall, social media, sign on the infrastructure

Grant for Assistance Application – Central Cariboo

Project Summary Sheet

Please answer the following questions, using additional paper if necessary.

1. Brief Description of Proposed Use of Grant Being Applied For: Purchase of wood chipper

Required in processing of tree removal, pruning and limbing in order to make the camp "firesmart" with regard to hazardous/flammable vegetation

2. How do you know there is a need for this service/project in our community?

Two years of wildfire in and around the Gawn Lake Camp has made us aware of our vulnerabilities. We service almost every child and most non-profits in the Cariboo - we hope to continue doing so.

3. Is your agency applying for funds from other levels of government or other sources for this project?

Possibly

4. Would you still be able to complete the project if you do not receive the other funds applied for?

Yes

5. Please describe the impact of this application being denied or approval of an amount less than requested.

We would still go ahead with the purchase but it would be delayed while we either fund-raised more \$ or earned more through rentals

Grant for Assistance Application – Central Cariboo

6. Start date of the project: Spring 2019

End date for the project: endless/ongoing

7. Please describe the key activities that will take place to complete the project and any associated timelines.

removal of all small conifers within 10m of buildings
removal of ladder fuels from all trees in the camp
area that pose a risk

8. Please provide a detailed financial budget for the project.

Chipper \$6880 including blower attachment and taxes.

9. Please explain how you will measure and evaluate the impact of this project on the community? How will you determine if it was successful?

We will be accepting guidance from members of
the Cariboo Fire Centre, who are currently on
our board of Directors.

THE INFORMATION INCLUDED IN THIS APPLICATION IS TRUE AND CORRECT TO THE BEST OF MY KNOWLEDGE.

[Redacted Signature]

Mike Tudor (Society Manager)

President/Chairperson

for Todd Fradsham (chairperson)

Project Overview

The Gavin Lake Forest Education Society has been providing free outdoor education to school children in the Cariboo for the last 23 years. Our aim is to bring as many grade 6 students through our program as possible annually.

For years we have been letting the forest creep in around the camp to increase educational opportunities but mostly just for aesthetic reasons. However the 2017 Wildfire season brought home the fact that we need to manage our interface risk a little more aggressively. We would like to begin a long term and ongoing process of making the camp "Firesmart" by following current pruning and thinning guidelines set out by the province of BC.

We are expecting to bring on another staff member in the near future and we certainly have no shortage of volunteers who will help us carry out this work. Our issue is removing the waste wood afterwards. Removing the branches and smaller stems to the local dump is almost an hours round trip with not much material being taken each time.

On the other hand, we are regularly receiving donations of wood chips for our trails, our obstacle course and our archery range. These usually have to be brought from Williams Lake, a 2 hr round trip.

All of this takes time, something the staff at camp never has enough of.

It only makes sense to chip our own waste from our thinning/pruning activities, eliminating hours of travel, fuel costs, as well as removing potentially dangerous wood waste piles around camp. The product of our chipping can go directly onto our trails, saving even more travel time.

We would be grateful if we could be considered for a "Grant for Assistance" this year so we could purchase a chipper and get the program in motion as soon as possible.

2018 Annual General Meeting Minutes

Welcome

1. Present:

Manager: Mike Tudor

Board of Directors Present: Todd Fradsham, Kylie Green, Eric Kopetski, Jamie Beaulne, Reece Allingham, Rob Barta, John Stace-Smith, Kerri Howse, Julianne Trelenberg, Kristine Wilker

Board of Directors Absent: Kane Copley, Sean Fogarty, Katherine Leppala, Frances McCoubrey

Members Present: Mauro Calabrese, Ralph Fowler, George White, Stephanie Ewen, Don Skea, Jenny Howell

2. Resolved: The agenda presented is approved. M/S Jamie/John

Old Business

1. Financial Report (Kylie Green) – attached
2. President's Report (Todd Fradsham) - attached
3. Camp Manager's Annual Report (Mike Tudor) - attached

New Business

1. 5-year Forecast (Kylie Green) – attached
2. Operational Planning (Mike Tudor) - attached
3. 2018 Board of Director Information & Fees Collected
4. 2018 Member Information & Fees Collected

Nomination & Election of new Board

Ralph Fowler led the Board through the Nominations.

Standing as Directors are:

1. Kane Copley
2. Rob Barta
3. Jamie Beaulne
4. Eric Kopetski
5. Sean Fogarty
6. Todd Fradsham
7. Kylie Green
8. Reece Allingham
9. Frances McCoubrey
10. Katherine Leppala

Being elected to the Board are:

1. Julianne Trelenberg
 2. Kristine Wilker
- M/S Reece/John. Carried.

Standing down are:

1. Kerri Howse
 2. John Stace-Smith
- M/S Rob/Eric. Carried.

5. Registrar of Societies

Kylie will update with BC Societies Online.

Adjourn: 2:30pm

Gavin Lake Forest Education Society
Friday, April 13th, 2018
Gavin Lake Camp, B.C.

2017 Treasurer's Report

The figures presented in this report are derived from the Treasurer's records & from the Year-End accounting for 2017 that was prepared by Cameron & Co., which was provided at a reduced cost to us this year. Year-end reporting for 2017 has been submitted to the CRA.

Our Investment Savings were untouched in 2017. There were no withdrawals and no deposits and at the end of 2017, the balance was \$98,348.00 (Market Value, \$100,796.00).

Once again we received the Summer Student grant from the Federal Government for \$4,357.00. The total employment cost to the GLFES for the Summer Student for 2017 was \$6,823.35 for Rhianne Ferdinandi. Cameron & Co. Accounting in Williams Lake administered the payroll once again at no charge. They included the provision of the employee record of employment and T4 slip.

Donations for 2017 were \$91,989. Donations were received from Tolko, West Fraser & Norbord, totaling \$11,500. The Cariboo Woodlot Education Society once again contributed \$20,000 and Moss Rock Park donated \$10,000. A list of all other donors over \$500 is included on Page 2.

Due to the unprecedented wildfire season, both Camp Rentals and Viksten House Rentals were lower than forecasted. The total rental income for UBC Office, Camp Rental & Viksten House was \$70,469.00.

Our new water system and well cost approximately \$33,000 in 2017 and will cost a further \$10,000 in 2018 to complete the final UV phase of the system.

Looking forward to the remainder of 2018, the largest financial commitment is our new First Aid Cabin. The Moss Rock Park Foundation and the Cariboo Woodlot Education Society are donating \$130,000 for this purpose.

2017 Income & Expenditure as well as a 5-year projection are included on Page 3.

Donations, ≥\$500

Chair's Report GLFES AGM April 13th, 2018

2017 key points:

- New well and water system installed
- Plans completed for a new first aid/volunteer cabin
- Upgrade to our water treatment plant.
- A reduction in general revenue with the decrease in number of group bookings due to cancellation because of the wildfires
- 1,946 people in camp in 2017

Our Volunteers and Staff

I would like to say a huge thank you to all of the volunteers who contribute their time and knowledge with leading our modules, our annual work bees and the other private school group bookings.

Donors

We continue to see excellent support from Ralph Fowler and the Cariboo Woodlot association. Thanks Ralph. To our other key donors, whom are too many to list, we have to say thank you. Moss Rock Park Foundation continues to be a huge supporter of GLFES with its annual contribution for any existing and new infrastructure at camp.

The Board of Directors

The Board is glad to welcome Kristine Wilker in joining GLFES. We are excited to have a new face on the board and value her experience and the skills she will bring. Our AGM means we also have to say good-bye to another long-time Director, Kerri Howse, who has decided to step down after 20 + years of being on the Board. She has helped us make key decisions for GLFES and was one of our signatories for many years. The board would like to say thank you.

Wrap up 2017

2017 brought one of the worst fire seasons in the Cariboo-Chilcotin history and in the Province. Our manager Mike Tudor and staff at Gavin Lake Forest Education Society, along with staff and students from UBC stepped up to deal with fires that were near the camp. Whether it was leading a crew to fight fires or has a support crew for a heli-staging area we cannot thank these people enough to ensure these fires were kept under control and away from GLFES.

Another significant change for GLFES is the recent retirement of Ken Day from the UBC Research Forest. We have always had a good working relationship with Ken and his staff at the Alex Fraser Research Forest. They have always been a good tenant both at camp and in our log building in Williams Lake. For Ken his professionalism, respectful demeanor and grounded values will be missed. We like to wish him all the best in his retirement.

Todd Fradsham
Chair GLFES

Annual Camp Report 2017

Highlights:

- 56 groups this year (with 13 cancelled due to fires) so potentially 69 groups –last year 62
- \$39,390 in camp rental revenue
- 1946 (2711 last year) people at camp this year.
- fire season meant a loss of approximately \$30,000 in rental revenue
- we did support UBC fire fighters for several days and acted as a staging area for Wildfire Service
- an entirely new well was dug and installed – this was not planned and was dealt with as an emergency.
- new water treatment system was installed this year and more improvements will come in 2018. This includes new entrance to mechanical room, storage tank lid and protective fence.
- stripped off 3 roofs and re-shingled.
- new fascia on front of cookhouse
- summer student was also an Intern with a focus on grant writing.
- Management plan
- Major danger tree removed.

New acquisitions:

- 4 new sinks in women's washroom
- 2 filters/2 softeners/chlorine retention tank

Future Projects:

- First Aid/staff cabin will be completed this year
- Games room will be replaced in 2019 – some options to discuss
- To hire assistant manager this year

This was a completely crazy year for our school program but we are proud to say we carried on and made it happen despite the after effects of the wildfire season as it played out in our backyard (in fact on both sides of Gavin Lake).

We weren't sure we would begin on schedule as the camp was still under an "evacuation alert" and we were also within 2km of an active fire. Fortunately that fire was completely contained and we managed to get the alert lifted and permission to proceed just 3 days before the program was meant to begin. Much credit has to go to the participating class teachers in that first week who managed to get their classes organized on very short notice. Then we had to round up a few of our instructors who were busy fighting fires elsewhere.

Everything looked good until the 3rd week of the program when our well ran dry. Initially we thought this was owing to the 6 million estimated gallons of water pulled out of the lake by water trucks this summer, but once we examined the well we realized it was on its last legs. Incredibly, it only took a day to install a new well as all the contractors involved were extremely accommodating. It did mean we had to cancel one session (two classes). These two classes will come out to camp during our 2018 winter school program so won't miss out on the opportunity.

School District #74 had to cancel completely this year as most of those kids/families/teachers had been through a pretty bad fire and nobody really wanted to leave home. We filled their slot with others on our standby list.

As usual our staff were the superstars that keep the program ticking over like a well-oiled machine.

We had 20 teachers and 36 parent chaperones fill in our questionnaire. Highlights:

- 90% of the teachers said facilities and food were "excellent"
- 100% of the teachers would like to come again and would recommend the program
- 100% of the teachers rated the organization and modules as "excellent"

- 95% of teachers rated staff as "excellent"
- 86% of the parent chaperones rated the overall experience as "fantastic"
- 83% of parents rated the kids overall experience as "fantastic"
- 94% of the parents said they were well prepared in advance by their child's teacher.

Comments sections:

What teachers are saying

- "Leaders were fun but serious and professional.....have a lovely rapport with students"
- "my students would rank this as the best activity of their year"
- "I loved watching the kids work as a team to do their duties, they were really proud of themselves"
- "all modules informative and engaging...by far the most important indicator for me was the sheer enjoyment the children showed all the time they were here."
- "staff make this trip!"
- "balance in modules is perfect.....great physical activities and skills many students have not learned at home."
- "I love bringing classes here! By far the best field trip to come on"

What parents are saying

- "We Love Gavin Lake"
- "unbelievable program, sure enjoyed the whole experience"
- "great program, great staff, great place."
- "modules were well thought out and very enjoyable."
- "I love that all children participate and belong to teams for prep/cleanup. They take that seriously and felt like a team."
- "no suggestions..great staff kept us all engaged."
- "the modules were really amazing and interactive"

What kids are saying

- "even the duties were fun"
- "I want to stay longer"
- "I'm glad Roy knew what to do when I flipped the canoe"
- "I hope we weren't too much to handle"
- "I learned soooo many things" and "thank-you for the memories I made"

"I loved the instructors and the food. Something out of the many things that was special was that the people were so nice there."

"Instead of just telling us how to do things, you showed us at the same time."

"when I was there I only saw smiles on everyone's faces. I loved how you all trusted us with the chores."

"It was an experience I will never forget. You were super kind to all of us."

2017 Modules were:

- Archery
- Canoeing
- Aquatic Insect Ecology
- Beavers and Wetlands
- Compass Use
- Forest Discovery Trail

Total cost for the 2017 school program was \$35,535

\$19,411 – cook and instructors wages

\$10,411 – groceries

\$5,679 – bussing

With 624 free of charge school participants at camp this year it means our cost/person comes in at \$57/person for a 3 day trip with all meals, cooking, accommodation and instruction and bussing.

-note.... this does not include regular costs of running a camp during the school program like propane, hydro, maintenance and admin staff, insurance and supplies.

-attached is a list of donors that specifically funded the school program, but I have also included other sponsors who helped fund infrastructure projects as well as general operations and maintenance. We really couldn't run the school program without the infrastructure in place and well maintained.

2017 Camp Manager's Report

2017 Donations

This list shows last years donations and is a fairly good reflection of what we hope to receive in 2018. This list also reflects the widespread community support that the Gavin Lake Forest Education Society enjoys.

Funding specifically for Grade 6 School Program:

- Cariboo Chilcotin Conservation Society -\$4000 (\$3000 was in-kind instructors)
- School District # 27 - \$3,500 bussing credit
- Williams Lake Loghauers Association -\$1,000
- Williams Lake Lionesses -\$1,200
- Williams Lake Lions Club -\$1,200
- Williams Lake Knights of Columbus -\$900
- Quesnel Knights of Columbus -\$1,500
- BC Hydro -\$6,000
- Provincial Employees Community Fund - \$47
- Atlantic Power - \$1,000
- Recreation Foundation of BC - \$4,500
- Mark and Carmen Tamas (woodlot W1579) -\$3,125
- Williams Lake Royal Canadian Legion - \$500
- 100 Mile Development Corporation - \$500
- Williams Lake Stampede Association -\$3,664
- 100 Mile Lions Club -\$250
- Kylar Enterprises -\$1,896

General Funding:

- Cariboo Woodlot Education Society -\$20,000
- West Fraser Mills -\$6,000
- Tolko Industries -\$4,000
- Norbord Ind. -\$1,500
- West Fraser Truckers association -\$5,000

Infrastructure:

- Moss Rock Park Foundation - \$10,000
- Quesnel Rotary Club - \$5,000
- Foord Foundation -\$4,000
- Windsor Plywood - \$1,000 (store credit)

CHIPPERS

This is model of chipper we are hoping to purchase
- an optional blower to load a trailer is
an add on we would order
