1. The club continues to develop, operate, maintain and provide improvements to the trail network in the Williams Lake area by:
 - a. Supporting the Boys and Girls Club (Sprockids) day rides.
 - b. Putting in thousands of volunteer and professional crew hours on the Desous Mountain Trail Network and Campsite, completing *Phase Two with the Rural Dividend Fund*, and volunteer contributions and matching of funds.
 - c. Spending \$13,000 on trail improvements to continue building world-class trail networks.
 - d. Continuing an ongoing liaison with Recreation Sites and Trails BC.
 - e. Assisting the Williams Lake Indian Band with the Chief William Trail rebuild.
2. Expenditure of funds as detailed in the maintenance plan for the trails network in the Williams Lake area for the aforementioned. Further, funds were expended on:
 - a. Phase Five signage, including a kiosk at the entry and egress points of the Tourism Discovery Trail and at different points within that specific network.
 - b. Beginning and implementing trail rebuilds either damaged and/or destroyed by wildfires, in conjunction with the Williams Lake Indian Band.
 - c. The Grand Reopening of the Williams Lake Bike Park in Boitano Park.
 - d. Assisting the City of Williams Lake and the Cariboo Mountain Bike Consortium (CMBC) with the release of the 2018 marketing video held at the Limelight Venue.
3. Payment of liability insurance, with coverage of claims up to, and including \$3,000,000, naming both the Cariboo Regional District and the City of Williams Lake as additionally insured on all policies.
