Dear Chair Simpson and Directors:

**Re:** Cariboo Memorial Hospital Redevelopment - Helipad

At its November 20, 2018 meeting, City of Williams Lake Council confirmed its support for inclusion of a helipad in the redevelopment plan for Cariboo Memorial Hospital.

As you are aware, in our joint meeting with Cariboo Regional District Chair Margo Wagner and Health Minister Adrian Dix at the 2018 UBCM Convention, Minister Dix confirmed his Ministry's commitment to including a helipad at Cariboo Memorial Hospital. The commitment to work in partnership to ensure this critical service happens is extremely important to health care delivery for our entire region.

We will continue to advocate for these crucial improvements to Cariboo Memorial Hospital.

Yours sincerely,

Mayor Walt Cobb  
City of Williams Lake
