Responses to Bid corresp.

Thank you for your time and consideration it is greatly appreciated. Unfortunately, the province has declined our request for financial assistance to help us get our bus service started. We are deeply sorry that we were not able to provide bus services to your community for this Christmas season. Hopefully someone will step in and help us get the funding we need to provide this service after the new year. We at Merritt shuttle bus services Ltd family are hopeful that we will be able to provide this service for your community in the future and are looking forward to working with you. We wish you and your constituents a very merry Christmas and a happy new year.

Sincerely Gene Field and Merritt shuttle bus services Ltd family.

Dear Mr. Field:

Re: Support for Proposed Bus Service to the Cariboo

Thank you for your December 4th email, which indicated the ways that the Cariboo Regional District can provide assistance towards your efforts to supply bus services to the Cariboo.

While the Cariboo Regional District is not able to provide monetary funding to your business, I will be happy to forward an expression of our support to Minister Trevena.

We wish you success in bringing your plans for this important service to fruition. Please continue to keep us updated.

Yours truly,

Margo A. Wagner
