SECTION 2: Planning Report

Background:

It is proposed to rezone 1.8 ha (4.44 ac) within 4.30 ha (10.62 ac) subject property from Mobile Home Park (R 4) to Resource/Agricultural (RA 1). The area under application is currently an active hay field. The rezoning and lot line adjustment would further benefit the current forage operation. The proposal is shown in Appendix C.

The subject property is currently zoned as Mobile Home Park (R 4) in the Quesnel Fringe Area Zoning Bylaw No. 3504, 1999. It is also proposed to change the designation from Manufactured Home Park to Agricultural and Resource in the Quesnel Fringe Area Official Community Plan Bylaw No. 4844.

Location & Surroundings:

The subject property is located on Skyline Road with Fraser River to the north-east of the subject property as shown in Appendix B. There is an unnamed creek that runs through the subject property. Currently, the area under application is an active hay field covered in forage crop with moderate tree coverage.

There is also a shed and a well present on the area under application with several mobile homes existing on the rest of the subject property. It is surrounded by single-family dwellings to the east and west, agricultural land to the south and Sinnce-Tah-Lah 2 Indian Reserve to the north of the subject property.

CRD Regulations and Policies:

3504- Quesnel Fringe Area Zoning Bylaw, 1999

5.20 RESOURCE/ AGRICULTURAL (RA 1) ZONE

5.20.1 USES PERMITTED

(b) **NON-RESIDENTIAL USES:**

- xv) agricultural operations, including horticulture, silviculture, livestock, intensive livestock operation, stockyard, beekeeping and aquaculture.

4844- Quesnel Fringe Area OCP Bylaw

5.0 AGRICULTURAL & RESOURCE USE DESIGNATION

5.2 OBJECTIVES

- 5.2.1 To maintain a secure and productive resource base.

Rationale for Recommendations:

Surrounded by the similar land use and no buildings proposed on the area under application, the requested rezoning does not adversely affect the character of the neighborhood. Therefore, planning staff recommends approval of this application. However, the applicant has to comply with the CRD Shoreland Management Policy with respect to sewage disposal and riparian protection due to the presence of a creek on the subject property and close proximity from the Fraser River.

Recommendation:

1. That the Quesnel Fringe Area Official Community Plan Amendment Bylaw No. 5172, 2018 to re-designate the subject property from Manufactured Home Park designation to Agricultural and Resource designation be approved.
2. That the Quesnel Fringe Area Zoning Amendment Bylaw No. 5173, 2018 to rezone Part of Lot 1, District Lot 15, Cariboo District, Plan 20266, Except Plan 22908 from Mobile Home Park (R 4) Zone to Resource/ Agricultural (RA 1) Zone be approved, subject to the following condition(s):
 - i.) The applicant offering to enter into and entering into a covenant to ensure compliance with the CRD Shoreland Management Policy with respect to sewerage disposal and riparian protection.

Further, that the cost of registration of the covenant be borne by the applicant.

SECTION 3: Referral Comments

Health Authority: -

Ministry of Transportation and Infrastructure: - October 15, 2018

The Ministry of Transportation and Infrastructure has no objection in principle to the proposed OCP Amendment Bylaw and Zoning Amendment Bylaw with the following comment:

This property is in the process of being subdivided. Boundaries may be adjusted from those on the rezoning map due to conditions of subdivision approval.

Advisory Planning Commission:

Ministry of Environment: -

CRD Environmental Services Department: - September 18, 2018

Interests unaffected by proposed rezoning application.

SECTION 4: Board Action

Date of Meeting: November 9, 2018

That Quesnel Fringe Area Official Community Plan Amendment Bylaw No. 5172, 2018 be read a first and second time this 9th day of November, 2018.

That Quesnel Fringe Area Zoning Amendment Bylaw No. 5173, 2018 be read a first and second time this 9th day of November, 2018. Further, that adoption be subject to the following:

Applicant Hugh Gordon Bare and Son, Joe Bare

Neighbours Willard and Dianna Strachan (369 Skyline)

Applicant surveyor Brad Wiles

Meeting begin at 7:00 pm on Tuesday, January 8, 2019 in the Quesnel Legion Hall

Chair reviewed the procedures around a Public Hearing generally and specifically around this CRD application to redesignate and rezone part of Lot 1, District Lot 15, Cariboo District, Plan 20266, except Plan 22908 from Manufactured Home Park to Agricultural designation. and to Resource/Agricultural zone.

Willard and Dianne Strachan advised they have no objection to this amendment.

Hugh (applicant) and Joe Bare noted this property was part of the original "Baker farmstead" with the Bakers born on the property, with most of the family graveyard exhumed and moved in the 1960's. He noted a major pack trader, Mr. Cataline, used to visit the Baker farm when he came through Quesnel because Henry Baker also spoke French, and Henry Baker on occasion had handled the drives to/from Barkerville. Mr. Cataline used to swim his horses across the Fraser River and they would winter in the lands on which West Fraser Plywood Plant now sits. The property proposed to be removed from the mobile home park property used to be the access trail to the Baker home, and the applicant would like to return the parcel to its historical designation, especially since it is being used as a hay field currently. The applicant noted he purchased the lands in 1948 from Henry Baker's mother.

Meeting adjourned at 7:10 p.m.
