## Grant for Assistance Application Attachment #1:

The purpose of the CCB is to give people with vision loss a distinctive and unique perspective before governments through independent processes.

The CCB deals with the ongoing effects of vision loss by encouraging active living and rehabilitation through peer support and social and recreational activities.

### **MISSION STATEMENT**

The CCB is an organization of the blind, run by the blind, dedicated to providing leadership to its members to achieve their full potential through guidance, education, resources and public awareness.

Improving individual life styles through advocacy and community involvement is a high priority for the CCB and peer support demonstrates how visually impaired and blind individuals may live with independence, purpose and dignity while promoting abilities versus disabilities.
