Subject: chair grant

FEB 12 2019
Referred To *ocb/Road*

Hello Lore,

I must apologize for the lateness of this email. The Anahim Lake Community Association received a grant for \$1000 to purchase chairs for our community hall last year in May & I received the letter from you with the cheque and also in the letter it states we need to provide a report on what the funds were used for and I obviously filed that without doing it. I am sorry.

We did, in fact purchase 60 chairs using the money from the CRD and money we had raised through fundraising efforts. So in total we had just over \$3000 to spend on chairs. They are a huge improvement to our hall.

Thank you so much!

Amy
