Notice to Electors of an Alternative Approval Process (AAP)

Notice is hereby given to advise electors in the Kersley Fire Protection Service Area of the Cariboo Regional District's intention to adopt Cariboo Regional District Kersley Fire Protection Loan Authorization Bylaw No. 5186, 2018.

SYNOPSIS OF BYLAW NO. 5186

The following is a synopsis of Bylaw No. 5186 and is not intended as an interpretation of it. The bylaw, in its entirety, is available for inspection at the Cariboo Regional District office in Quesnel during regular office hours from March 4, 2019 through April 16, 2019, and on the Cariboo Regional District's website.

If adopted, Bylaw No. 5186 will authorize the borrowing of up to \$400,000 over ten years to replace an aging fire engine/pumper for the Kersley Fire Protection Service. There is no change to the taxation requisition limit to accommodate this borrowing. The service area is a portion of Electoral Area A.

The Cariboo Regional District (CRD) intends to adopt Cariboo Regional District Kersley Fire Protection Loan Authorization Bylaw No. 5186, 2018 unless, by 4:00 p.m. on April 16, 2019, at least 10 percent of the electors in the Kersley Fire Protection Service Area sign an elector response form opposing the adoption of the bylaw without a vote being held.

The number of elector responses required to prevent the CRD from proceeding without a referendum is estimated to be 85. A report respecting the basis on which this determination was made is available upon request from the CRD.

Elector responses are required to be submitted to the Cariboo Regional District on a form that can be obtained during regular business hours from the Cariboo Regional District offices. The form can also be downloaded from the CRD's website at: www.cariboord.ca The only elector response form that will be accepted is the one provided by the Cariboo Regional District, or an accurate copy of it.

Only electors of the Kersley Fire Protection Service Area of the Cariboo Regional District are eligible to sign the elector response forms. There are two types of electors – resident electors and non-resident property electors.

Resident electors signing the elector response form must provide their name and address.
