Short Summary:

Request from Director Glassford – BC Ambulance Access to West Fraser Road

Voting:

Corporate Vote - Unweighted

Memorandum:

Director Glassford has requested that this item be included on today's agenda:

I would like to find out where the ambulance would respond from; Quesnel or Williams Lake - the time has been expected to increase significantly from Quesnel with poor roads to Narcosli.

For the Board's information, the West Fraser road closure is outside of the West Fraser Volunteer Fire Department's fire protection area. There is an established, maintained detour on Garner and Webster roads as shown on the map.

Please refer to the link below for a detailed description of the washout locations.
