Good Day Stephanie:

This letter is forwarded, as per your request.

Quesnel Search & Rescue is requesting an increase in our annual Fee for Service that we receive from the CRD, as per Bylaw No 4296.

We received our first Fee for Service in 2008.

At that time Expense related to this funding was in the amount of \$24,585.81.

In the fiscal year for 2017 the expense related to this funding was in the amount of \$43,260.78.

This indicates an increase of approximately 75% in our annual expenses, since we first started receiving this Fee for Service.

We request that this change in expense be considered in regards to an increase in the Annual Fee for Service for Quesnel Search & Rescue.
