Dear Joan, Steve, and Angie,

Re: Invitation for a CRD director to attend the Scout Island Nature Centre Banquet, April 5

The Scout Island Nature Centre Committee of the Williams Lake Field Naturalists wishes to invite a CRD director to the Scout Island Nature Centre fund raising banquet on April 5 to make a brief presentation regarding the Nature Centre on behalf of the CRD. A complimentary banquet ticket will be provided.

The banquet will be at St. Andrew's United Church Hall on Friday, April 5, starting at 6 pm with a pre-dinner social. Dinner will be at 6:30 p.m, followed by brief presentations from a CRD and other representatives and then by a feature presentation. Representatives have also been invited from the City of Williams Lake, the School Board, the Nature Trust of BC, and the Williams Lake Band (T'exelcenc).

The banquet feature speaker will be Chris Shepherd, an expert on international trade in endangered species. He currently lives in the Big Lake area and travels widely. We are sure it will be a very interesting evening.

We sincerely thank the CRD for the support you are providing for operation of Scout Island Nature Centre. Your support is essential to the programs we offer.

Thank you for your consideration of this request and we hope that one of you is able to attend on behalf of the CRD. We would greatly appreciate a response at your earliest convenience.

Yours truly,

Ordell Steen
