Attention Darren,

Re: South Cariboo Recreation Centre Signage

We are writing you today to request permission to place a 12 foot metal sign as attached, to the front of the Arena adjacent to the Ticket Widow, to showcase the 100 Mile House Wranglers Junior B Hockey Team.

We have successfully completed the first round of playoffs against Sicamous and the next round of playoffs starting here on monday against Revelstoke. If at all possible, could we please have the answer by that time, so that we may have the sign installed for the start of that game.

Thank you for your continual support of the Wranglers.

Sincerely

Maureen Pinkney, Secretary
100 Mile Wranglers Junior B Hockey Club.
