SECTION 2: Planning Report

Background:

It is proposed to rezone 1.6 ha (3.96 ac) institutional property to Special Exception Rural 3-3 (RR 3-3) zone to allow for future development of a homesite. There is a pump house of 2.98 sq. m. in size existing on the property. The subject property is currently zoned as Institutional (P) in the Quesnel Fringe Area Zoning Bylaw No. 3504, 1999, and is also designated as Institutional in the Quesnel Fringe Area Official Community Plan Bylaw No. 4844, 2014. The proposal is shown in Appendix C.

The applicant has requested that the Quesnel Fringe Area Zoning Bylaw No. 3504, 1999 is amended by including Section 5.19.3.3 as follows:

5.19.3.3 Special Exception RR 3-3 Zone (3360-20/20190008)

Notwithstanding any other provisions of this bylaw to the contrary, on lands zoned RR 3-3:

- (i) LOT AREA (minimum) = 1.5 ha (3.706 ac)

All other provisions of the RR 3 zone shall apply.

Location & Surroundings:

The subject property is located at 4325 Quesnel-Hixon Road with Fraser River to the west of the property as shown in Appendix B. The property completely lies within the Agricultural Land Reserve

(ALR). Currently, the subject property is used as a livestock pasture covered mostly in grassland with partial tree coverage and is surrounded by single-family dwellings.

CRD Regulations and Policies:

3504- Quesnel Fringe Area Zoning Bylaw, 1999

5.19 RURAL 3 (RR 3) ZONE

5.19.1 USES PERMITTED

No person shall, within any RR 3 zone, use any lot or erect, alter or use any building or structure for any purpose except one or more of the following RR 3 uses, namely:

- (a) RESIDENTIAL USES:
 - i) a single-family residential dwelling;
 - ii) a two-family residential dwelling unit / duplex; or
 - iii) one (1) secondary suite and must be subordinate to a single-family residential dwelling, or
 - iv) one (1) carriage house and must be subordinate to a single-family residential dwelling, or
 - v) a temporary dwelling unit in conjunction with a single-family residential dwelling.
- (b) NON-RESIDENTIAL USES:
 - vii) agricultural operations ancillary to a permitted residential use, excluding intensive livestock operations, feedlots and stockyards;

4844- Quesnel Fringe Area Official Community Plan Bylaw, 2014

6.3.2. RESIDENTIAL DESIGNATION

- RURAL RESIDENTIAL

Minimum lot size shall be 2 ha average with parcels ranging from 1.5 ha to 3.0 ha.
(Note: minimum lot size is dependent upon lot area and density of development)

Rationale for Recommendations:

The subject property was previously owned by the School District which never got developed. Surrounded by the similar land use and no buildings proposed on the area under application, the requested zoning amendment does not affect the rural residential character of the neighborhood. Further, the restrictive minimum lot size of 1.5 ha (3.706 ac) would limit the future subdivision of the ALR property. Therefore, planning staff recommends approval of this application.

However, the applicant must comply with the Geotechnical Hazard Development Permit Area for any future development on the property due to the presence of steep slope moderate risks throughout the subject property. For this, the applicant has to apply for a Development Permit supported by a Geotechnical Assessment/Report from a qualified professional to mitigate potential hazards and ensure

safe development. Further, the cost of Development Permit application and Geotechnical assessment will be borne by the applicant.

Recommendation:

1. That the Cariboo Regional District Quesnel Fringe Area Official Community Plan Amendment Bylaw No. 5199, 2019 to redesignate Lot A, District Lot 6185, Cariboo District Plan PGP8661 from Institutional designation to Rural Residential designation be approved.
2. That the Cariboo Regional District Quesnel Fringe Area Zoning Amendment Bylaw No. 5200, 2019:
 - (a) to amend the Bylaw No. 3504 of the Cariboo Regional District by including the following section 5.19.3.3:

5.19.3.3 Special Exception RR 3-3 Zone (3360-20/20190008)

Notwithstanding any other provisions of this bylaw to the contrary, on lands zoned RR 3-3:

- (i) LOT AREA (minimum) = 1.5 ha (3.706 ac)

All other provisions of the RR 3 zone shall apply.

- (b) to rezone Lot A, District Lot 6185, Cariboo District Plan PGP8661 from Institutional (P) zone to Rural 3 Special Exception 3 (RR 3-3) zone be approved.
