RE: Bylaw Request – GR Baker X-Ray Equipment

Dear Mr. Erickson:

Northern Health would like to formally request funding of \$360,400 for the replacement of a Digital Radiography X-Ray machine and an Analogue Portable X-Ray Machine at the GR Baker Memorial Hospital. This is 40% of the total project budget of \$901,000.

The current X-Ray machine is failing and not under service contract. We are currently risk managing it and spending thousands on repairs to keep the machine running. The portable X-Ray machine is now 16 years old, and past the end of its projected life by five years. This project will include the purchase and installation of a new X-Ray unit and a Digital Radiography Portable X-Ray System.

Thank you for your consideration of this request. If you have any questions please do not hesitate to contact our office.

Sincerely,

Deb Taylor, HB.Comm, CPA, CGA
