Memorandum:

The Red Cross has approved in principle the CRD's application for a Community Liaison Program as per the attached outline.

At the end of the two-year funding, the CRD will have a structure and program in place to maintain community liaisons for the purpose of assisting with communications during community emergencies.

The position of the Community Liaison Coordinator will address communication gaps identified through the post wildfire community consultations with the aim of getting this program and liaisons in place for 2020.
