Subject: BC Assessment Meeting Invitation @ 2019 UBCM

Hello!

BC Assessment is once again proud to support the Union of BC Municipalities, and our ongoing collaboration and engagement with local governments.

As part of this focus, we would like to extend an invitation for a personalized, one-on-one meeting on either Tuesday, September 24 or Wednesday, September 25 at the Vancouver Convention Centre. This opportunity provides the chance to meet with BC Assessment face-to-face to discuss property assessment topics specific to your community, for us to answer general questions about BC Assessment, or to introduce ourselves to newly elected officials.

If you would like to book a one-on-one meeting, please contact [BC Assessment Communications](#) by **Friday, May 31**. Please specify which day your group would like to meet, and if you have any identified topics at this time. Closer to the Convention, we will be in touch to confirm meeting details and specific topic choices.

Thank you for your continued partnership and collaboration, and we look forward to meeting with you in September!

Sincerely,

BC Assessment Local Government and First Nations department
