Manner Issued: CRD Policy Manual		

PURPOSE:

To establish that Directors will be offered an electronic device to enable access to CRD-related information and to establish the software, hardware and level of support to be provided to Directors for their CRD-issued electronic devices.

POLICY:

Elected officials of the Cariboo Regional District will be offered a device to facilitate access to electronic agendas, information and email. The electronic device, accessories and software remain the property of the Cariboo Regional District.

The following items are included for the Directors' use in carrying out CRD business:

- Electronic Device
- Carrying Case
- Mouse
- Software
 - ☐ Microsoft Office
 - ☐ Alternate Internet Browser (Chrome)
 - ☐ Adobe Acrobat reader
 - ☐ Antivirus software (Sophos)
 - ☐ Remote Assistance (GotoAssist)

IT staff will provide installation and configuration support to ensure functionality of the above.

Directors are welcome to add licensed supported software or printers at their own expense. IT staff must be consulted prior to installation to ensure compatibility. IT staff will need to assist in the installation of the software either directly, at the CRD office, or indirectly through remote assistance.

Directors will be provided a secure password, which will not be released to any other party, in order to protect the privacy of Directors' e-mail and communication with the CRD. Security of the electronic device is the responsibility of the Director.

POLICY STATEMENT:

Directors will be offered an electronic device at the cost of the Cariboo Regional District to enable access to CRD-related information. Directors will be provided with the software, hardware and support for their CRD-issued electronic device in accordance with this policy.
