Short Summary:

Request for Support from Spinal Cord Injury BC

Voting:

Corporate - Unweighted

Memorandum:

Spinal Cord Injury BC (SCIBC) has forwarded the attached information for the Board's consideration for financial support and/or provision of an impact statement. Further to the Board's previous request, staff had contacted SCIBC to arrange for them to attend a Board meeting as a delegation; however, they have indicated that it is problematic to arrange for transportation from Prince George and that they would prefer to participate via phone or other communication platform if the Board still wishes to hear from them. Following receipt of the attached information, staff has suggested to the SCIBC that they submit an application to the main intake Grants for Assistance program and/or apply to the Quesnel Community Foundation for funding.
