AGENDA ITEM SUMMARY

To: South Cariboo Joint Committee

And To: John MacLean, Chief Administrative Officer

From: Darron Campbell, Manager of Community Services

Date of Meeting: South Cariboo Joint Committee_Sep09_2019

File: 8000-20-08

Short Summary:

South Cariboo Recreation Centre – Wranglers Media Booth Proposal

Voting:

By Consensus

Memorandum:

Please find the attached a proposal from the Wranglers Junior B Hockey Club for the construction of a media broadcasting booth at the South Cariboo Recreation Centre.

The intention of the project is to improve the location for media coverage and broadcasting of the Wranglers' games and to have the space available when the Wranglers host the Cyclone Taylor tournament at the end of the 2019-2020 season.

The proposal is for a temporary structure comprised of construction scaffolding above the timekeeper area and penalty boxes.

The proposal has been reviewed by the facility manager and Regional District building official to confirm compliance with code requirements and avoid interference with other facility use. Based on this assessment, preliminary approval has been given to the Wranglers to proceed with the installation and the media booth is intended to be functional for the first games of the season.

For security and safety purposes, the space will be for the exclusive use of the Wranglers during home games and will be otherwise inaccessible.

If the location is deemed appropriate and the addition of a permanent media booth identified as a priority, a future project could be included in the recreation centre capital plan.

Attachments:

Wranglers Media Booth Proposal, including email request and plan

Financial Implications:

None. The Wranglers are covering the cost of the media booth for this season. If a permanent structure is pursued at a later date, construction costs will be identified in the facility capital plan.

Policy Implications:

None.

Alignment with Strategic Plan:

- ☐ **Communication:** Facilitate communication strategies throughout the entire Cariboo Regional District that meet the needs of residents, community stakeholders, and other levels of government.
- ☒ **Planning:** Intentionally plan services and activities of the CRD to prepare for future needs of residents and community stakeholders.
- ☒ **Economic Sustainability:** Foster an environment to ensure the economic sustainability of CRD communities and the region.
- ☐ **Governance:** Ensure that CRD governance policy and practices are intentional, transparent, and respectful.
