### Department/Function Services

The Cariboo Regional District facilitates streetlighting for the residents in the Esler area as established by Bylaw No. 2370 (1990). The taxation limit for this service is the greater of \$500 or \$1,644/\$1,000 of assessed value of land and improvements. The local service area is illuminated by two streetlights.

As the Electoral Area E Director is the only stakeholder, and the *Local Government Act* requires more than one vote, the entire Board is responsible for the governance of this service.

### **Business Plan Goals, Rationale & Strategies**
