

Current Interior Health Vision

To set new standards of excellence in the delivery of health services in the Province of British Columbia.

Current Interior Health Mission

Promote healthy lifestyles and provide needed health services in a timely, caring and efficient manner, to the highest professional and quality standards.

Current Interior Health Values

Quality: We are committed to safety and best practice.

Integrity: We are authentic and accountable for our actions and words.

Respect: We are courteous, and treat each other as valued clients and colleagues.

Trust: We are free to express our ideas.

Proposed Vision Statements

1. Healthy people, partnerships and communities.
2. Working together for the health and wellbeing of our communities.
3. Health and wellness empowered by respect and relationships.

Proposed Mission Statements

1. We provide compassionate, equitable care inspired by innovation, collaboration and connections.
2. We work together to improve the quality of life and health for everyone.
3. We are united in partnership for a healthy future through innovation, compassion and equity.

Proposed Values and their definitions

1. **Compassion:** Seeing, understanding, and serving with care and respect.
2. **Quality:** We constantly strive for continuous improvement and the best possible outcomes.
3. **Accountability:** We have the courage to do what is right, guided by honesty, transparency, and responsibility.
4. **Safety:** We believe people must feel culturally, socially, psychologically, emotionally, physically, and spiritually safe and included in all aspects of care.
5. **Transparency:** We commit to building confidence and trust through honesty, openness, and the sharing of information.
6. **Innovation:** We drive better health care through discovery and research.
