## **Short Summary:**

Request for Deregistration of the Roddis House from the CRD Heritage Registry

## **Voting:**

Stakeholder Vote, Weighted - All Electoral Areas

## **Memorandum:**

The Quesnel and District Heritage Association has requested deregistration of the property referred to as "Roddis House".

The lower four layers of logs, forming the exterior perimeter of the house, are dry rotted and need immediate replacement. Other areas of the building, for example, the roof, floors and some exterior walls are also showing significant damage. This building is in danger of collapsing at any time. Due to the high cost estimates of restoring the building, Roddis House no longer fits their mandate.

Being a heritage building, Roddis House needs to be deregistered from the CRD's Heritage Registry and the Provincial Heritage Registry before it can be demolished.
