Dear Lore Schick,

Referred To DCU
Board CC March 6

I am following up on the Rose Lake/ Miocene 4-H clubs' receipt of the \$1000.00 grant which we received for our 2019 Achievement Day supplies and Ribbons. We are most grateful to have received these funds.

The funds received from the CRD, covered the cost of supplies need for our Achievement Day potluck, such as paper plates, utensils, cups, water, coffee etc. Ribbons were however the large purchase. Who knew they were so expensive! With the support of the CRD we were able to purchase enough ribbons for the 2019 Achievement Day as well as enough (hopefully) for the 2020 year.

As a result of your support our members were able to rest easy that they had enough funds to purchase the ribbons and supplies for Achievement Day without sacrificing funds that they needed for their projects and club.

As we received the funds after the actual event, we did not display a poster with the CRD logo on it. However, at our Club Meeting on October 9, 2019 we did publicly announce that we had received the grant. It was also announced at our January meeting when our treasurer read out our 2019 yearend report.

In the future I would like to be able to get a poster/ Banner made that indicates the CRD's sponsorship of our events, does the CRD have anything that could be used for this, or is it something that we should make or have made on our own? We would like to show your support in this way at the 2020 Achievement Day.

As you can see in the pictures attached, we had many happy members. They love receiving their ribbons. I'm told from many parents that our members proudly display their ribbons on their walls for years.

We would like to thank you from the bottom of our hearts, for your efforts in helping our children feel a sense of pride in what they have accomplished. This is a gift that will be treasured for years.

Yours truly,

Abby Shoults

Rose Lake/ Miocene Club A Leader
