Karen Paul, President

West Chilcotin Health Care Society

Box 34

Tatlayoko Lake, BC, V0L 1W0

May 10, 2019

Dear Ms Paul,

**Re: WCHCS Equipment Purchase**

Please accept this letter as our support of the West Chilcotin Health Care Society (WCHCS) purchasing a Portable Ultrasound & transducers for the West Chilcotin Health Care Center (Interior Health).

This equipment will complement our ability to readily assess and treat patients who present to our remote health centre or are being treated by the Nurse Practitioner while working within the region. Further, this equipment will contribute to our capacity for excellence in the delivery of rural and remote health care.

We are sincerely appreciative of the ongoing support and generous donations from the WCHCS.

We look forward to continuing to work with WCHCS.

Sincerely,

Natalie Kulyk

Health Services Manager, Carbioo/Chilcotin
