Hi Kevin,

Thanks for the email. These are approved by IH and are on our capital list for next fiscal year, if 3<sup>rd</sup> funding is approved. This would be very good news in these challenging times!

*Thanks,  
Thalia*

Good Afternoon:

The CCRHD policy regarding Foundation Grants requires that: Projects within a hospital or health care facility operated by a Health Authority must be approved by the Health Authority prior to submission to the RHD. If you can confirm Interior Health approval for the requests being made I will put this on the next Board Agenda.

Thanks,
