Hi Roy

This letter is regarding the Covid -19 restrictions and the impact they are having on our soccer season. As we are currently and for the foreseeable future unable to host soccer and utilize the fields we are requesting to have the payment from the association to the district forgiven for this year. However if we are able to do part of a season then a prorated amount would also be great.

I realize this will all depend on how everything unfolds but we appreciate the assistance as we have no registration fees coming in. These fees are instrumental in covering the cost of the fields and other operating expenses.

Thank you again for your time and consideration

Nicole Weir

President,

100 Mile House Soccer Association
