RE: 100 Mile House Slo-Pitch Association

To whom it may concern,

We, 100 Mile House Slo-Pitch Association, are asking that you consider a decrease in our fees for the season. Due to the current pandemic we have had to delay the start of our season by one month. We have no plan to extend the season to make up for this month as we, the executive committee, have agreed that attendance that late in the season would be very poor.

We want to make the best of the time we have left. We have approval from the National Slo-Pitch Association (NSA) to start our softball season now that the province has approved gatherings of up to fifty people outdoors. To ensure the safety of all our members we plan to follow the guidelines provided by NSA. I have attached a copy of these guidelines for your reference.

If you have any questions please do not hesitate to contact me at 250-706-XXXX or by e-mail at XXXX@gmail.com

Thank you so much for your time,

Kristy Anderson
