Short Summary:

Cariboo Regional District Wildwood Fire Protection Loan Authorization Bylaw No. 5275, 2020

Voting:

Corporate Vote - Weighted

Memorandum:

The Wildwood Fire Protection Service has a fire engine that needs to be replaced in 2021. Loan Authorization Bylaw No. 5275 is presented for consideration of three readings so that it may be forwarded to the Ministry of Municipal Affairs and Housing for statutory approval, prior to the Board authorizing a public assent process.

Staff's strong recommendation will be to proceed to an Alternative Approval Process (AAP) rather than referendum, as the costs are significantly less, and strong elector opposition is not likely. The last several AAP's that we conducted yielded zero electors submitting Elector Response Forms in opposition.
