RE: Bylaw Request – GR Baker Sterile Compounding Room Upgrade

Dear Mr. Erickson:

Northern Health would like to formally request funding of \$45,600 for the Cariboo Chilcotin Regional Hospital District's (CCRHD) share of the GR Baker Memorial Hospital (GRB) Sterile Compounding Room Upgrade project. This is 40% of the total project budget of \$114,000.

The purpose of this project is to bring the chemo anteroom and sterile anteroom up to the CSA Z800.18 and NAPRA standards. The required work includes modifying the existing anterooms into a combined anteroom, ductwork, and controls modifications to eliminate the deficiencies. Please see the attached Capital Project Approval Form for additional information.

Thank you for your consideration of this request. If you have any questions please do not hesitate to contact our office.

Sincerely,

Deb Taylor, HB.Comm, CPA, CGA
