RE: Bylaw Request – Endoscopy System Replacement

Dear Mr. Erickson:

Northern Health would like to formally request funding of \$45,591 for the Cariboo Chilcotin Regional Hospital District's (CCRHD) share of the Endoscopy System Replacement project.

The purpose of this project is to replace EndoWorks at UHNBC, GR Baker Memorial Hospital, and the Fort St. John Hospital. EndoWorks provides images for viewing by the Endoscopist during a procedure. EndoWorks was end of life as of March 31, 2018 and a replacement system is required as the software and the hardware are at risk of failing.

The Regional Hospital Districts are funding 40% of this project. The CCRHD's share of this project is 5.8% (14.5% of the RHD contribution), and was calculated using the number of annual endoscopy procedures.

Total Budget	\$	788,000
MOH	\$	472,800
RHD	\$	315,200
PRRHD	\$	43,937
CCRHD	\$	45,591
FFGRHD	\$	225,672

I've attached the Capital Project Approval Form (CPAF) for your information.

Thank you for your consideration of this request. If you have any questions please do not hesitate to contact our office.

Sincerely,

Deb Taylor, HB.Comm, CPA, CGA
