### Reduce the risk

- **Get your drugs checked** – see service information below.
- Avoid using different drugs at the same time or using drugs and alcohol together.
- Don't use alone or ask someone to check on you.
- If you must use while alone, consider using the [Lifeguard app](#) which can connect you with 911 emergency responders if you overdose. Download at the [App Store](#) or [Google Play](#).
- When using your substance start with a small amount, and then go slow.
- Use at an Overdose Prevention or Supervised Consumption Site, if one is near you.
- Know how to respond to an overdose - call 911, give rescue breaths and naloxone.
