Subject: IH-Update on IH COVID-10 numbers

Hello all: Who have you heard more from than us today? Here are some more numbers. Hope they are helpful. Thanks Susan

UPDATE on IH numbers:

- **Two** additional COVID-19 cases were reported in IH today, bringing the total numbers of cases in IH to **393** since the start of the pandemic.
- **Fourteen** cases are active and on isolation.
- **One** person is in hospital. **No one** is in ICU with COVID-19.
- Within IH, there are **161** cases linked to Kelowna since June 26. **Twelve** are active and in isolation.

UPDATE Re: Krazy Cherry outbreak:

We are pleased to announce the outbreak at Krazy Cherry Fruit Co. in Oliver has been declared over by Interior Health. There were a total of four confirmed cases who have now recovered and the quarantine order is rescinded.
