

SCHEDULE “C”

INVASIVE PLANT MANAGEMENT

Preamble:

- A. The City and the Regional District wish to enter into an Agreement to coordinate the provision of Invasive Plant Management Services on a local and regional basis.

Term

1. Further to Section 2 of this Memorandum, the City and the Regional District agree that the term of this Memorandum is for two years, commencing on the 1st of January 2020 and ending on the 31st of December 2021.

Service

2. The Regional District shall provide Invasive Plant Management Services within the City to the same standard and in accordance with the same procedures and policies as it does within the overall region.
3. The Regional District and the City shall work to define the scope of Invasive Plant Management Services delivered by the Regional District within the City in preparation of future agreements.

Payment

4. The contract fee payable by the City to the Regional District under this Agreement shall be \$35, 475 annually as follows:
- (a) \$ 35,475 for services provided within the City; this portion of the payment is subject to review and cost reconciliation. If more or less than \$ 35,475 of work was performed by the Regional District within City boundaries, the City's contribution the following year shall be adjusted accordingly.
5. Beginning in 2021, the amount provided under section 3 of this Agreement will be adjusted for inflationary purposes in accordance with the year over year CPI for September of the preceding year.
6. If more than \$35,475 of work was performed by the Regional District within City boundaries on a consistent basis over the term of this Agreement, the City's contribution for future Agreements shall be reviewed by the City and Regional District and adjusted accordingly.
