DEC 2 2019

Referred To .....DCD.....

Good Day.

I would like the opportunity to submit an application for Grant Assistance, Year Round Intake.

We are requesting assistance for the 20th Annual Polar Bear Swim, known as Freezin' for a Reason.

This is an event that promotes community involvement, volunteering, time, effort and leadership. To many it is a fun 2 day event, however behind the scenes is 3 months of prep by the Caribruisers Jr Roller Derby Team. (Ages 5 to 18) and the parents and Friends of the team.

This year is the 20th year of the Swim and the requirements have gotten more costly per year, the kids on the Roller Derby Team do volunteer, fundraise and work towards the goals needed to run the event Safely and with proper precautions. The behind the scenes costs to keep event like this active are high.

We normally would not apply for a Grant, but each year the event not only benefits our Youth at Risk skating program, (Our Non Profit Team) thru to the Summer, we also promote and heavily help out connecting volunteers and people to other organizations around Williams Lake. Being the first, and coolest event of the New Year we help build a database for Volunteers as its our goal for our entire program.

The 20th Annual Polar Bear Swim  
"Freezin For a Reason"

February 1st (Ice sculpture contest, Duck Launch and Scout island clean up and prep)  
February 2nd Polar Plunge noon to 3pm @ Scout Island.

The event include local Search and Rescue, Medical Staff, WLSS staff and students, and brings 100+ spectators and more!

We appreciate the considerations, and Look forward to further communication.
