Dear Darren:

Re: Area L Hall Community Hall Support Agreement

Please find enclosed an invoice for \$ 13,000.00, which includes our share of the Hall agreement for 2020 and the Grant the CRD allocated towards the Bridge Lake School Society all for our playground project.

As discussed before the BLSS dissolved in 2018 and they gave us \$ 8,000.00 from their leftover funds and we agreed to start building a playground on the Community Centre property within 2 years. After lots of fundraising we finally got our equipment order which will ship on July 24th and as soon as that dreadful rain stops we will be able to start the ground works.

I attached copies for the purchase of the equipment as well as our agreement with the BLSS which hopefully proves that we took over their plans to build a playground.

If you need anything else for your files please let me know. In case you need a confirmation from the BLSS that we carry on with their plans you could contact their former president Chris Lance 250-593-0042

The total for the equipment was USD 21,850.00 which turned into CAD 30,319.11.

Thank you for all the assistance due to this agreement..

Sincerely

(Maggie Benzjg – program coordinator)

Donation to Roe Lake and District Recreation Commission

At the last AGM of BLCCS, members voted to donate \$8,000 to the provision of a playground for the use of members of the Bridge Lake community and their children. The location of the playground at the Interlakes Hall has now been decided as the most suitable place.

BLCSS is now prepared to donate the sum of \$8,000 for this project with the following conditions:

- The money must be used for the purchase of playground equipment only (not site preparation).
- The project must be started and significant progress made within a year of the date of donation (effectively June 1st 2018).
- The project must be completed within two years of the date of donation (i.e. by June 1st 2020).
- If the above conditions are not met, the money must revert to BLCSS to donate to a charity designated by at least two members of the current BLCSS executive.

We hope you will be in agreement with these conditions and two members of your executive will sign below, signifying your agreement. The cheque for \$8,000 can then be released.

I, LORRAINE JEREMA, the PRESIDENT of the Board of
(position)

RLDRC agree to the above conditions, as specified.

I, A.J. DYWER, the TREASURER of the Board of
