## Voting:

Corporate Vote - Unweighted

## Memorandum:

An email has just been received from the Northern Development Initiative Trust (NDIT) advising that the Ministry of Forests, Lands, Natural Resource Operations and Rural Development will be asking the CRD for a letter of support for its proposal of a LiDAR project for the entire Quesnel Timber Supply Area. NDIT wants to bring the proposal to its October 28<sup>th</sup> meeting, but as they do not accept late agenda items, the letter of support would be required by October 21<sup>st</sup> if the CRD wishes to provide it. As NDIT's deadline is before the next Board meeting, this item has been included after late publishing and has been distributed at the meeting.
