2021 Business Plan Electoral Area L Community Halls & Recreation Facility Support Service (1559)

Darron Campbell, Manager of Community Services

Working in partnership with communities large and small to offer local, sub-regional, and regional services to ensure that the Cariboo Chilcotin is a socially, economically, and environmentally desirable region.

Department/Function Services

The Electoral Area L Community Halls and Recreation Facility Support Service was established through Bylaw No. 4073 in 2006.

The purpose of the service is to provide funds, by means of contribution contracts (January 1, 2017 – December 31, 2021), to support three community halls in Electoral Area L of the South Cariboo. The halls are the Lone Butte Community Hall, the Interlakes Community Complex at Roe Lake, and the Watch Lake Community Hall. Support from this service is directed to the community associations which manage the properties for costs associated with owning and operating the facilities. The funds are to be expended on insurance, utilities and capital improvements. This contribution is in recognition of the important role local halls play in healthy activity and stability within communities.

The service area includes all of Electoral Area L. Requisition is by way of a parcel tax which is applied to a maximum of three parcels per unique owner identifier. The requisition limit may not exceed the greater of \$53,000 or \$0.0995/\$1,000 of assessed value of land and improvements.

As the Electoral Area L Director is the only stakeholder, and the *Local Government Act* requires more than one vote, the entire Board is responsible for the governance of this service.

Business Plan Goals, Rationale & Strategies

2021 Goals

- 1. Goal:** Review the Community Hall Contribution Agreement with the Lone Butte Horse Lake Community Association, Roe Lake and District Recreation Commission, the Watch Lake and District Women's Institute, and the Watch Lake Green Lake Community Association.

Rationale: The current five-year agreement expires on December 31, 2021.

Strategy: The agreement will be renewed if there are no material changes.
- 2. Goal:** Gravel and level the parking lot at the Watch Lake Community Hall.

Rationale: The parking lot is in poor condition and needs improvement in order to host events at the hall and increase community pride in the property. The project is consistent with the purpose of the community hall support function.

Strategy: The Watch Lake and District Women's Institute and the Watch Lake Green Lake Community Association will manage the project with updates to and advice from Regional District staff.
- 3. Goal:** Complete the finishing touches on the new playground installed in 2020 at the Interlakes Community Complex.

Rationale: New investments such as playground equipment can help attract new users of the complex. The project is consistent with the purpose of the community hall support function.

Strategy: The Roe Lake and District Recreation Commission will manage the project with updates to and advice from Regional District staff.
- 4. Goal:** Construct a side ramp entrance to the outside front door of the Lone Butte Community Hall.

Rationale: A side ramp will increase the accessibility of the hall. The project is consistent with the purpose of the community hall support function.

Strategy: The Lone Butte / Horse Lake Community Association will manage the project with updates to and advice from Regional District staff.

Overall Financial Impact

The 2021 requisition remains the same as the 2020 requisition at \$81,580. Requisition is by way of a parcel tax of about \$15 per parcel.

Significant Issues & Trends

The COVID-19 pandemic resulted in significant challenges for operation of the community halls and resulted in event cancellations and lower rental revenue. It is unknown at this time if this will continue and to what extent into 2021.

Rising costs for insurance, utilities, renovation materials and labour, may cause the goals for future years to be revisited. However, it is also expected that the improvements to the hall and recreation areas will increase community pride in the property and lead to better usage and more fundraising opportunities.

The Cariboo Regional District is a signatory on the Province of BC/UBCM Climate Action Charter and has committed to continuing work towards carbon neutrality in respect of corporate operations.

Measuring Previous Years Performance

Goal: Refinish the floors in the Lone Butte Community Hall.

- Completed.

Goal: Replace the log section of the roof at the Watch Lake Community Hall.

- Canceled in favour of replacing the hall windows, which is in progress.

Goal: Construct a playground at the Interlakes Community Complex.

- Completed.
