2021 Business Plan Red Bluff Two Mile Fire Protection (1325)

Stuart Larson, Manager of Protective Services

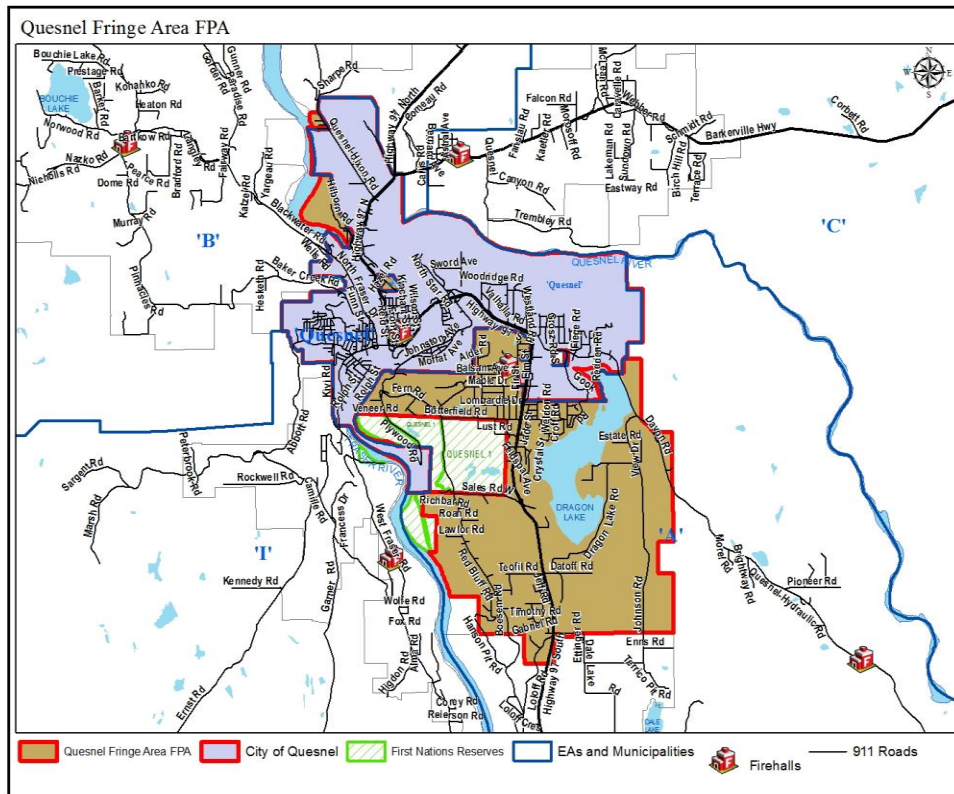

Working in partnership with communities large and small to offer local, sub-regional, and regional services to ensure that the Cariboo Chilcotin is a socially, economically, and environmentally desirable region.

Department/Function Services

In 2015, the former fire protection services of Red Bluff and Two Mile Flats, contracted by the CRD from the City of Quesnel, were combined under one contract within the new 2015 Memorandum of Understanding. As such, the two services are combined as per Bylaw No. 4979. This new service area is funded by a taxation rate applied against the assessed value of land and improvements within the local service area. The maximum taxation rate that can be collected is the greater of \$306,600 or \$0.79/\$1,000 of assessed value.

The City of Quesnel, through a contractual agreement, provides fire protection services to Cariboo Regional District properties in the Red Bluff and Two Mile Flat fire protection area.

Electoral Areas A and B Directors are responsible for the governance of this service.
